Covid-19 Risk assessment

Prior to our visit:

- We will send a copy of our standard and Covid-19 Risk assessment.
- We will liaise with the school to discuss any further procedures required
- We will liaise with the school in order to understand any issues that can affect our presentation and any Students/Staff that may have difficulties with our procedures.
- We encourage communication and dialogue to ensure the day runs smoothly.

Prevention During our visit:

- Our Presenter will always minimise contact with School Staff and students .
- If our presenter/staff become unwell and display coronavirus (COVID-19) symptoms, or who have someone in their household who does, Or if we contacted by the tracing service We would notify the School immediately and cancel our presentation.
- We will provide Hand Sanitiser for all who attend our shows and insist upon its usage before entering the show.
- We will supply disposable face masks (FREE) for all show attendees, and a bag for disposal after a show.
- ALL our equipment and the floor of the dome will be cleaned before and between each presentation, with Dettol (no bleach antibacterial) surface cleaner.
- We will only allow enough people into a show to allow for minimal contact between individuals and maintain social distancing wherever possible, to comply with Central Government guidelines at the time of the show.
- Our Staff will always wear appropriate personal protective equipment (PPE) during our time in your school.

We guarantee that IF the Government advice changes preventing a presentation going ahead, there will be no cancellation fee charged even if we must cancel on the day of the show!

** Compliant with the
Dept for Education guidelines a
issued 2nd July 2020*
